

About Interac Association

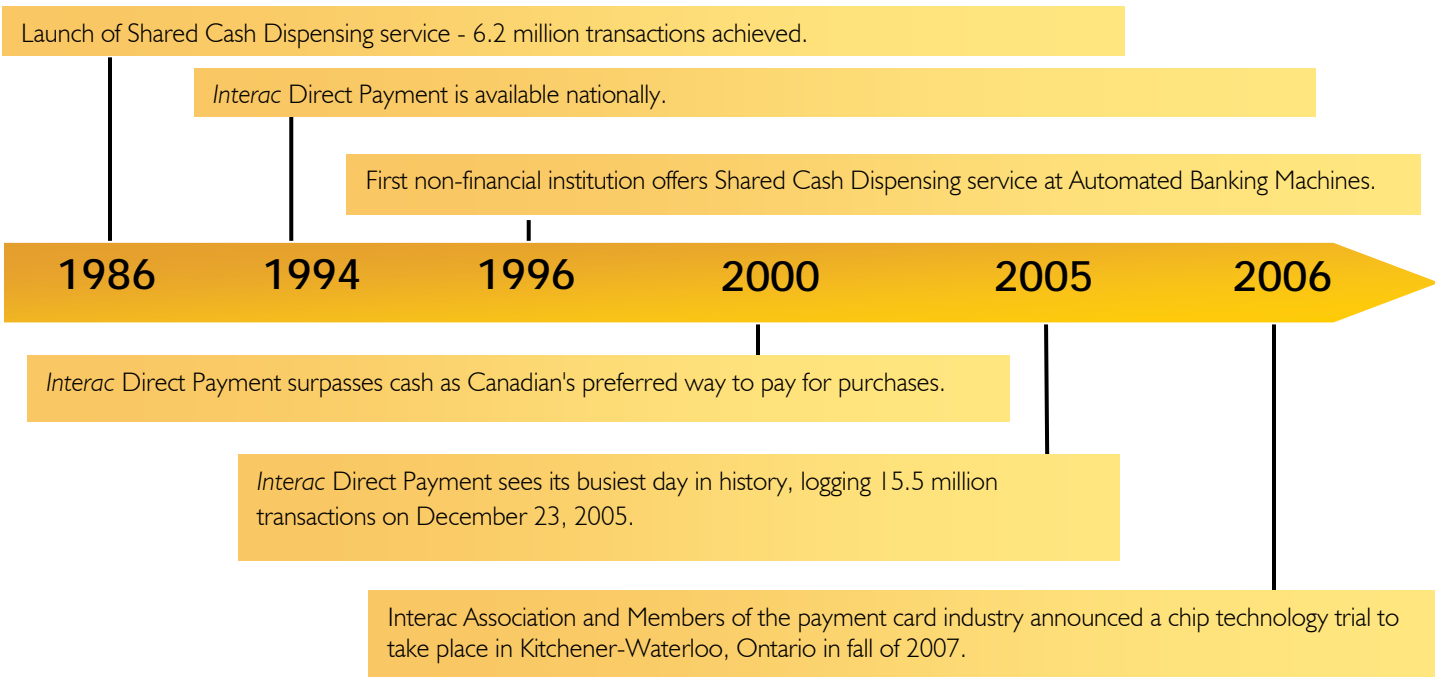

www.interac.org

A recognized world leader in debit card services, Interac Association is responsible for the development and operations of the *Interac* network, a national payment network that allows Canadians to access their money through Automated Banking Machines and point-of-sale terminals across Canada.

Interac Association was founded in 1984 and is composed of a diverse membership which includes banks, trust companies, credit unions, caisses populaires, merchants, and technology and payment related companies.

Milestones

Other *Interac*-branded and related services*

Interac® Online

The *Interac* Online service is an online payment option that allows customers to pay for goods and services securely over the Internet, directly from their bank accounts. For more information, visit www.interaonline.com.

Interac® Email Money Transfer

The *Interac* Email Money Transfer service allows customers who bank online with a participating financial institution to send money quickly to anyone with an email address and a bank account in Canada.

Cross Border Debit

Cross Border Debit provides Canadian debit cardholders of participating financial institutions the convenience of using their debit cards at more than 1.5 million U.S. retailers supporting NYCE PIN point-of-sale payments.

* *Interac* Online, *Interac* Email Money Transfer and Cross Border Debit are services offered by Acxsys Corporation whose shareholders are the architects of the *Interac* network. For more information visit www.acxsys.ca.
