

CONFORMANCE STATEMENT

At the request of Interac Corp., eSSENTIAL Accessibility has performed an independent evaluation of a representative sample of pages of the following digital property against the 38 success criteria included in the Web Content Accessibility Guidelines (WCAG) 2.0 Level A and AA.

<https://www.interac.ca/en/>

We find that the audited pages of the website meet the 25 requirements set forth by the World Wide Web Consortium's Web Accessibility Initiative under WCAG 2.0 Conformance Level A. The testing methodology included automated testing, manual and code level review and testing by individuals with disabilities using various assistive technologies, including keyboard-only interaction.

These findings are based on audit results of <https://www.interac.ca/en/> as it existed on **February 12, 2020**. Interac Corp. will be responsible to ensure any new content on <http://interac.ca/en> is conformant with WCAG 2.0 to warrant continued compliance.
